Public, 18 hole golf course. Golf management recommends course for all skill levels of golfer. Meadows style golf course layout located inside the Buffalo city limits and is situated on a Frederick Olmsted Park. The course features wide open fairways with generous landing areas and medium-sized greens. A number of fairways are lined with trees that could affect your shots and you will find some sand and grass bunkers. The par 3's will require accuracy to avoid the well placed approach trees.

Delaware is a great course to walk because the terrain is not too strenuous. Pull-carts are available for rent. The ladies tee off from the same set of tees as the men, except for a few holes. A practice green for putting and apron chipping is located off the 9th & 10th holes. Delaware Park golf course is available for league play and golf outings. Contact the golf operations office for specific details. The Golf Pro Shop / Starter House is now located in the Parkside lodge as of 2009. The Lunch Box Café is also OPEN to provide Breakfast, Lunch and Dinner food and beverages.
