Public, 9 hole golf course. Golf management recommends course for all skill levels of golfer. Traditional style golf course layout around South Park lake. Situated on a Frederick Olmsted Park, next to the Buffalo and Erie County Botanical Gardens. While the course is not long, precise shots are required because it is fairly tight off the tees. South Park lake is a predominant feature of three holes, 4, 5 and 6 and also, comes into play on the third hole. There are tree lined fairways that could affect your score if you don't keep your ball in the fairways. Easy course to walk while enjoying the beautiful Frederick Olmsted Park landscape. A practice green for putting and apron chipping is available. South Park golf course is available for league play and golf outings. Contact the golf operations office for specific details.
