

# Community Forum on the SCAJAQUADA CORRIDOR

*Hosted by the Buffalo Olmsted Parks Conservancy and the Restore Our Community Coalition*

## Two Sides of One Road

Please join Olmsted Parks and ROCC for a discussion to learn about the push to save Delaware Park and reconnect neighborhoods before the state moves forward with its current flawed plan.

Date: Wednesday, November 8, 2017

Time: 6:30 p.m. – 8:00 p.m.

Venue: Canisius College, Winter Student Center, Grupp Fireside Lounge,  
80 Hughes Avenue, Buffalo, NY 14208

The original construction of the Scajaquada Expressway and the Kensington Expressway ripped apart Delaware Park and left the Humboldt neighborhood separated from the Buffalo renaissance. Let's work together toward a road that doesn't disrupt and destroy our parks and our neighborhoods. The mission is the same - redevelop highways that damage our green space and our neighborhood.
